

PRESENTS: 45th Annual Chicago Week

Big Sky, MT

FEBRUARY 27-MARCH 6, 2027

Located in southwest Montana (approximately 50 miles south of Bozeman and an hour north of West Yellowstone), **Big Sky Resort** is a popular winter destination known for its vast skiable terrain, consistently receiving an average of over 400 inches of snow annually. The resort boasts over 5,850 acres of diverse terrain, making it one of the largest ski resorts in the US. With a vertical drop of 4,350 feet, it's also one of the longest in the country.

It boasts as the Biggest Skiing in America. But it's not just getting bigger; it's getting better. Vast diversity provides a big experience for every level. The only things that aren't big are the lift lines, ensuring you get all the vertical you can handle. Unwind after a powder-filled day in luxurious slopeside accommodations so you can live big again tomorrow.

The resort is the basecamp to Yellowstone National Park and provides daily shuttles to Yellowstone's west entrance. The resort has everything one would expect from a modern ski resort, including the Big Sky Mountain Village which features a variety of dining, lodging and shopping possibilities.

From \$1,649, the trip includes:
