

CHICAGO WEEK 2027
BIG SKY, MT
FEBRUARY 27 - MARCH 6

This is Big Sky Resort, where 400 inches of powder fall on 5,800+ skiable acres and 4,350 vertical feet. Introducing two brand-new Doppelmayr chair lifts as part of Big Sky 2025, our ten-year, \$150-million investment at Big Sky. It's the Biggest Skiing in America. But it's not just getting bigger; it's getting better. Vast diversity provides a big experience for every level. The only things that aren't big are the lift lines, ensuring you get all the vertical you can handle. Unwind after a powder-filled day in luxurious slopeside accommodations so you can live big again tomorrow.
