**St. Anton:** Enjoy your holiday at the 3-star Hotel Nassereinerhof, a charming mountain escape in St. Anton am Arlberg, set amidst majestic alpine landscapes. Ideally located on the sunny side of the valley, our hotel is a perfect launchpad for the Arlberg ski area with immediate access to cable cars, ski slopes, sports shops, and a ski school. Relax and recharge in our "AlpenSpa" wellness area after an exhilarating day in the snow.

The spa features a swimming pool, a variety of saunas, a steam bath, and an infrared cabin, complemented by massages and soothing wellness treatments. Delight in the culinary experiences offered by our kitchen, with a fusion of traditional and international cuisine, fondue specialties, and themed buffet evenings, all in a cozy, welcoming setting. In our "Panorama Winter Garden", enjoy fine drinks while taking in the picturesque view of the snowy village, or relax in the comfort of our traditional parlor.

**JAN. 29-FEB. 10, 2027**

Guaranteed snow and excellent piste conditions are the ever reliable hallmarks of Austria's largest inter-connected ski area. Ski Arlberg extern, which comprises the villages of St. Anton am Arlberg, St. Christoph, Stuben, Lech, Zürs, Warth and Schröcken, consists of 300 km of marked slopes and 200 km of off-piste trails. The 85 state-of-the-art cable cars and lifts offer the highest standards of safety, comfort, and efficiency. The region is also a founding member of 'Best of the Alps', the quality association of the 13 most renowned alpine destinations.

Situated at 1,304 meters in the western Austrian Alps, the traditional Tirolean village serves as the gateway to the Arlberg ski domain.

**Skiing & Snowboarding:** With 85 lifts and cable cars, it is a paradise for intermediate and advanced skiers, offering challenging runs, deep powder, and the famous Valluga, Kapall, and Schindler peaks.

**The "Arlberg Feeling":** Known for its vibrant, intense après-ski scene and deep-rooted ski culture.

**Connectivity:** The 2016 Flexenbahn cable car connects St. Anton to neighboring Lech, Zürs, Warth, and Schröcken, forming a massive, unified ski domain.
