PRESENTS: Steamboat

Annual Chicago Week

February 26 – March 4, 2028

With its beloved Champagne Powder® snow, Steamboat never disappoints!

Winter is the perfect time to experience the spirit of Steamboat. Our rich history as a ranching town permeates our present as you feel the warmth of a genuine western welcome to a community happy to share their love of Steamboat. Ease into bluebird days and glistening snowcapped peaks that will pique your sense of adventure and curiosity. Or spend your days exploring the mountain range atop a trusty quarter horse or a speeding snowmobile. Stroll down Main Street and refuel with a hearty meal at one of our various restaurants, relax in the healing waters of the mineral hot springs, then snuggle down in the warmth of your lodge as Champagne Powder® snow primes the peaks for another unforgettable day in Steamboat.

While Steamboat has been shaped by its rich past, and we are now shaping the future with Full Steam Ahead. We've invested over $200 million on and around our mountain, as we have enhanced the Steamboat experience for everyone who visits us. This unprecedented venture has made us one of the premier ski destinations in the world for decades to come. This is an ambitious undertaking that is setting the stage for our ambitious future.

Now with 650 new acres in Mahogany Ridge, an entirely new base area with The Range Food & Drink Hall, Skeeters Ice Rink, a new stage and easier access, as well as an industry-leading learning facility at Greenhorn Ranch, Full Steam Ahead phase one is complete. With a bright future ahead for Steamboat, however, the resort is just getting started.
