

CHICAGO WEEK 2029
BRECKENRIDGE
FEBRUARY 24 - MARCH 3

Breckenridge Ski Resort operates 35 total lifts across five distinct peaks, featuring North America's highest chairlift and an extensive network of high-speed chairs and a free

gondola. **Breck's** awe-inspiring peaks rise dramatically above Breckenridge, providing the perfect backdrop for a down-to-earth experience on and off the slopes. It stretches across Five Peaks of the Ten-Mile Range – all the way up to 13,000 feet and down into our one-of-a-kind mountain town. With iconic competitions, live music, and on-mountain events for every skier and rider, there's never a dull day in Breckenridge.
