ABOUT CMSC

The Chicago Metropolitan Ski Council (CMSC) is an association with over 60 member clubs which offer downhill and nordic skiing, boarding and year-round activities. We are also adventure clubs, single clubs, family clubs, and social clubs that welcome all comers.

CMSC, founded in 1957, is managed entirely by volunteers who are members of our clubs. Our publication, the Ski & Ride Club Guide, and our website provide information on Club and Council activities. Our aim is to promote skiing and boarding.

CMSC member clubs have trips planned to almost every major destination in North-America and Europe at various times throughout the year. Please visit their website to learn more about them and their activities.

MESSAGE FROM THE PRESIDENT

Well, last year was quite a challenge for planning trips to say the least. Some of our clubs decided to take a year off while several others had a reduced schedule of trips. A few managed to run almost as many trips as they usually do.

Earlier this summer many of us were cautiously optimistic that this season would at least be close to normal. However the recent surges due in part to variant strains have put that into question. This has also changed the way that both CMSC and our clubs structure contracts with our vendors. We need to provide as much protection as possible in case of the need to cancel or reschedule trips. Trip Insurance is also a useful tool for travelers.

On a more positive note, the Winter Olympics is coming up in February. For those who remember, 3 of the 4 members of the US Ski Jumping team at the 2018 Games were from our own Norge Ski Club. This year they have a few jumpers with an excellent chance to make the team. Among them is Casey Larson who placed first in both the 90 and 120 meter events at the National Championships in Park City this past July.

Let's all hope that with more people getting vaccinated, we can control this virus and return to a more normal life including getting back on the slopes to enjoy the great activities of skiing and snowboarding with our friends.

Michael Thomas,
President, CMSC

SPRING FLING 2021

IN REVIEW

South Lake Tahoe
4/7 – 4/12/21

TWENTY EIGHT PEOPLE representing 13 different ski clubs descended on Heavenly Mountain Resort on Wednesday, April 7, 2021 for the picture perfect definition of "spring skiing". All 5 days were classic "bluebird" ski days with clear skies and sunshine. Temps, in the base village, were reaching the low to mid 60's each day with lower temps in the mountains. A base layer and/or a long sleeve shirt and a shell was generally more than enough to keep you plenty warm and most likely sweating by the afternoon. Sunscreen was a must and most everyone had some type of "raccoon" eyes from a suntan or sunburn.

At Heavenly, ski conditions in the mornings were a little icy due to the overnight freezing temperatures; but by mid-morning, the sun softened up the snow enough to create excellent skiing conditions throughout the mid-afternoon. Later in the afternoon, it did get a little "heavy" towards the bottom but not to the extent that it was slushy and unmanageable. The snow remained in unexpectedly good conditions despite the warm weather. Heavenly offered a wide variety of blue runs, a good share of black runs and a large variety of tree and bump skiing. No matter what your ability, Heavenly had you covered.

We stayed in 2BR/2BA Condo's at the Forest Suites Inn which was only about 1.5 blocks from the base of the Gondola in the village. The condos at the Forest Suites, although being a little bit "dated" and showing some wear, were very spacious and equipped with all the amenities one would expect in a

condo, except a dishwasher (and your roommates don't count!).

Due to the current Covid restrictions, the Forest Suites offered a "grab 'n go" breakfast each morning in lieu of their traditional breakfast buffet.

On Saturday, we had a group of 20 people go to Kirkwood Mountain Resort for another "bluebird" ski day as a side trip. Kirkwood is about a 32 mile drive (1 hour bus ride) south of South Lake Tahoe. Although Kirkwood is a little more "rustic" and "out of the way" than other Lake Tahoe area resorts, don't let that fool you. Kirkwood is a great area. Although mostly black and double black runs, Kirkwood offers a good variety of wide, groomed blue runs and some beginner skiing. I don't think we had to wait for more than 2 minutes in a lift line. Most of the time it was simply ski right up to the lift

and get on the next chair.

Due to various Covid restrictions, Après Ski with a large group was difficult. However, we managed to hold 2 Après Ski events (on Friday

and Sunday) outdoors in the back of our condo building by the pool and hot tub (although they were closed) where there were several picnic tables. We could simply bring our own drinks and snacks from our rooms and with the warm temperatures, this worked out as a great option as people were able to mingle and get to know each other a little more. We also managed to get out for Après Skiing in smaller groups. The Piccadilly Ski Club "shot ski" made several Après appearances!!

All in all, Spring Fling 2021 was a success. I think everyone would agree that the snow conditions were much better than any of us expected, the weather was incredible, the people on the trip were a great group and everyone had a really good time.

About Telluride:

Telluride is nestled in a box canyon at 8,750 feet surrounded by 14,000-foot peaks of Southwest Colorado's San Juan Mountains. Located 65 miles south of Montrose airport with 2,000 skiable acres, a 4,425-foot vertical drop, and spectacular views. With 280 annual inches of light, dry snow, blanketing 127 trails, bowls, and a variety of terrain (23% beginner, 36% intermediate, 41% advanced/expert). Telluride also features some of the steepest terrain in North America. The best part is, this can be enjoyed without the typical crowded ski slopes and long lift lines.

Telluride is unpretentious, friendly, and full of surprises. Membership is a comprised of single and married persons, mostly between 40 and 55 years old, with a common goal; that is, to promote skiing and other sports and social activities throughout the entire year. We enjoy year-round social and sports activities. We have golf, biking, tennis and volleyball as some of our sports activities. Monthly get-togethers with a live band and after work parties fill out the month.

SNO-GOPHERS SKI CLUB

The Sno-Gophers Ski Club, initially dubbed the Ski Fun League, was founded in 1965 by Chicago radio personality and "comedian" Holmes "Daddy-O" Daylie. We are the 3rd oldest Black ski club in the United States and proudly boast as one of our members Art Clay, co-founder of the National Brotherhood of Skiers (NBS) and Class of 2019 U.S. Ski & Snowboard Hall of Famer. The NBS and Sno-Gophers continue to be dedicated to promoting skiing within the African-American community. Every year we travel to great destinations to ski. However, we participate in additional activities year-round. All are welcome!

ST. LOUIS SKI CLUB

Organized in 1958 to promote participation in outdoor adventures, we continue to be a group of outdoor enthusiasts who love winter sports but have grown into much more. We still offer at least three ski trips a year to western and foreign destinations, but have also added year-round activities to our schedule, including ice skating, tennis, golf, canoeing, biking, bowling, and rollerblading. We regularly socialize at happy hours, holiday parties, baseball games and cultural outings. On the slopes and elsewhere, we continue to emphasize friendship and camaraderie among members.

CMSC ALPINE RACING

You've been cooped up and suffering from Covid fatigue! How about a safe and fun outside sport to recover this Winter? CMSC's Alpine Race Series is the guaranteed cure. Our recreational racing program will hold 14 races this Winter at various nearby Midwest ski areas. Our racers advance through five levels of competition from "never raced before" to "elite." If you can handle an intermediate trail in the Midwest, you will be fine at our races. We also have safe and socially distanced post-race awards celebrations for each race. And we have a Summer Awards Party to celebrate your season improvement and successes.

This is a mostly adult league, but kids, young adults and families also race together. Kids under 12 compete for free in our Giant Slalom races. If you are new to racing, your first race entry fee is free (details on web site). Helmets are required in all events. Weeknight Training with some great coaches at Wilmot is also available to help you advance through the levels.

We have two types of races: Giant Slalom (similar to NASTAR) and Slalom (quicker, shorter turns). The schedule is below, and details are on our website at SkiCMSC-Racing.com. You can sign up for "Race Alerts" on our website and follow our Facebook page (search CMSC Alpine Racing). E-mail me if you have further questions.
